2. We will also move forward with a commission on CI as suggested by the SSCI with notable personalities from the retired ranks of the various CI agencies. We will try to tap people like [redacted] and the individual you had in mind from DIA. (Please provide us his name and a way to contact him.) This commission will meet two or three times a year to provide the Director with the assurances that the CI program, the exchange of experiences and CI analysis are following the proper course.
